52) The payment of a duty allowance to the Officer posted as Auditor of the Corporation was recommended as long ago as in January 1950 (when presumably the constitution of the State Accounts Department in its present form was not contemplated), in consideration of the nature of the duties being performed or to be performed by him Such duties could have had no relation to any re-organization arising directly as a result of the formation of this Department and Sri Venkataramiah, the first Auditor, after submitting certain proposals for the reorganization of audit work in the Corporation has since been succeeded by another Officer The latter Officer also has, under my instructions, prepared a note for reorganization of audit and accounts work in the Corporation in the light of the system obtaining in Madras, and proposals made by me in that behalf are now before Government for orders Whatever the nature of the reorganised audit and accounts setup in the Corporation may be, there seems to be nothing in the way of the payment of the allowance that was ostensibly meant for work that was being done and is being done The Corporation has agreed to the payment of a consolidated allowance of Rs 75/- per month to the Auditor and the Accountant-General, under whom the two Officers have worked for the bulk of the period in question, is also of the opinion that the allowance may be paid for the work done

53) In the circumstances, it appears that the allowance may be paid to Sri D Venkataramiah from the time he took charge and also to the Officer who now is or will in future be in charge of the Corporation audit work until the proposed reorganization takes effect It may be mentioned that the reorganization proposals provide for a self-contained Accounts department of the

SUBJECT Payment of consolidated allowance to the Corporation Auditor

When the Bangalore Corporation was inaugurated on 8th December 1949, Sri D Venkatarariah was appointed as the Auditor of the Corporation as required in Section 143 of the City of Bangalore Municipal Corporation Act in notification No L 5334/ CM 49-49-10 dated 3rd December 1949 In the subsequent order No L 5503/CM 49-49-16 dated 8th December 1949, the Corporation Auditor was permitted, interalia, to draw his own pay of Rs 425/- per mensem which he was drawing in the parent Department as Assistant Controller

The Corporation Auditor is faced with the responsibility of placing the accounting and auditing procedure of the Corporation on a proper basis under the new set up He has to depend mostly on his own resources and take important decisions besides having to advise the administrative and Departmental officers of the Corporation in financial matters His work being thus of a more responsible and onerous nature than t at of the other Assistant Controllers holding routine charges in the Audit Department The Controller (now the Accountant General) recommended that a deputation Duty allowance of 20% of the salary may be attached to the post of the Auditor of the Corporation with effect from 8th December 1949

The above proposal was referred to the Corporation for its views The Corporation which considered the matter at its meeting held on 21st April 1950 approved the payment of a consolidated allowance of Rs 75/- per mensem to the Auditor

In the meantime the Accounts Department was integrated with the centre and a separate Local Fund Audit Department for the State was being constituted The question whether the Corporation audit would be supervised by the Accountant General or by this Government was then not finally decided Hence the allowance recommended to the Auditor was ordered to

21

to wait till the position of the establishment Vis-a-vis the new organization which the Examiner for Local Fund Accounts (now the Controller, State Accounts Department) was to propose for the audit of local fund accounts, became clear

The audit of the Corporation was taken over by this Government The Controller, State Accounts Department was therefore un-officially consulted in this office Un-official dated 18th June 1951 on the proposals for the grant of an allowance to the Corporation Auditor He recommended the payment of a consolidated allowance of Rs 75/- per mensem as resolved by the Corporation, from the time Sri D Venkataramiah took charge of the office This allowance is to be in force till the re-organisation of the audit and accounts work in the Corporation under the separate consideration of Govetnment on the proposals sent by the Controller, State Accounts Department takes effect The Financial Secretary has concurred with this view of the Controller, State Accounts Department

The Hon'ble Ministers for Local Self Government and for Finance and Industries to whom the file was submitted have approved the proposal for the grant of a consolidated allowance of Rs 75/- per mensem to the Corporation Auditor

The Hon'ble Chief Minister to whom the file was submitted has ordered the disposal of the question by circulation and the following draft Council resolution is for approval of the hon'ble Ministers

'A consolidated allowance of Rs 75/- per mensem may be paid to the Corporation Auditor from the date Sri D Venkataramiah took charge of the office until the proposed re-organisation of the audit and accounts work in the Corporation takes effect

Adverting to Notification No L 5334 C M 49-49-10 dated 3rd December '49 and with reference to the enclosed copy of D O letter No L 5438 dated 6th December '49 received from the Secretary to Government, General Department, in regard to the post of Sri D Venkataramiah, Assistant Comptroller as Auditor of the City of Bangalore Municipal Corporation, I have the honour to report for the kind information of Government that Sri D Venkataramiah has reported to me that he assumed charge as Auditor of the Corporation on the forenoon of the 8th December '49

2 The General Secretary to Government desired in his D O under advertance that Sri Venkataramiah may be directed to report himself to the Commissioner, Municipal Corporation I presume, it does not thereby mean that the Auditor will be subordinate to the Commissioner As Auditor of the Corporation, he has to be subordinate to the Comptroller and not to the Commissioner of the Corporation Till now, the Audit staff of the Bangalore City Municipality was functioning under the control of the Comptroller, the Audit staff of the Mysore City Municipality has also been similarly conducting audit under the control of the Comptroller Likewise, the Auditor and his subordinate Audit staff in the Corporation have to discharge their audit duties under the guidance of the Comptroller, so that, the independence of audit may not be jeopardised Since an Assistant Comptroller has been appointed for the first time as Auditor of the Municipal Corporation, I shall submit, separately for the approval of Government, a set of rules governing the relationship between the Auditor and the Municipal Commissioner in the day to day administration of the Corporation

3 The Auditor has to take stock of the exact state of audit work

and study the systems followed so far both in the Civil Station Municipality and in the City Municipality and reorganise the Audit Section and the Audit & Accounts work after obtaining orders of Government, wherever necessary, so that there may be a uniform system of audit and accounts work in the Corporation at least from the 1st April 1950, i e , the commencement of the next official year Any change in the middle of the year is likely to cause dislocation in the present system I am reporting this for the information of Government

4 I am forwarding a copy of this letter to the Commissioner of the Corporation and also to Sri D Venkataramiah for their information and guidance

In continuation of my letter No 2041/Es dated 20th December 1949 I have the honour to forward herewith a copy of the representation submitted by Sri D Venkataramiah Assistant Comptroller doing duty as the Auditor Bangalore City Municipal Corporation requesting (i) that he may be allowed two peons - one Office Orderly and the other Home Orderly - usually allowed to an Assistant Comptroller and that (ii) he may be granted a suitable Duty Allowance from 8-12-1949 the date on which he assumed charge as the Auditor of the Corporation on the analogy of certain sanctions cited by him and to state as follows -

(i) As it is usual to allow an Assistant Comptroller two peons one to serve as the Office Orderly and the other as the Home Orderly I recommend that Sri D Venkataramiah may be allowed two peons in the grade Rs 18-½-22 In the meanwhile I have in anticipation of sanction of Government allowed him a Home Orderly from 8-12-1949 and an Office Orderly from 23-12-1949

(11) As regards his request for a suitable Duty Allowance I invite your kind reference to the General Secretary's letter No L 5503/C1 49-49-16 dated 8-12-1949 (copy enclosed for reference) wherein it has been directed that Sri D Venkataramiah Asst Comptroller appointe as the Auditor of the Corporation will draw his present pay of Rs 425/- p m No Duty Allowance has been sanctioned to him therein The duties devolving on him are very arduous and responsible He will have to face the brunt of the work of placing the accounting and auditing procedure of the Corporation on a proper basis from the beginning He will have to depend largely on his own resources and take important decisions and also advise the Administrative and Departmental Officers of the Corporation in the Financial Administration of the Corporation His work will be certainly more difficult than that of the other Asst Comptrollers holding routine charges in this Department I therefore recommend that a Deputation Duty Allowance of 20% of his ~~pay~~ Salary may be attached to the post of the Auditor of the Corporation and that the present incumbent Sri D Venkataramiah may be allowed to draw the same with effect from 8-12-1949 the date on which he assumed charge as the Auditor of the Corporation

2 I request that sanction of Government may kindly be obtained to the above recommendations and communicated to me the Commissioner and the Auditor of the Corporation early

Yours faithfully,

Sir,

Subject - ADDITIONAL STAFF FOR THE BANGALORE CITY CORPORATION AUDIT OFFICE.

In continuation of my letter No 2041/E S dated 20-12-49, I have the honour to forward herewith, a copy of the detailed note submitted to me by the Auditor, Corporation of the City of Bangalore, dealing with (i) the system of audit to be introduced in respect of Receipts and Payments of the Corporation with effect from 1-4-50 and (ii) the staff required for conducting such an audit

- 2 The system of audit that was obtaining in the Bangalore City Municipality prior to the formation of the Corporation, was the pre-audit of bills for all kinds of expenditure and a limited audit of receipts, while in the Bangalore Municipal Commission, Civil Station, the system in vogue was post-audit of both expenditure and revenue The Auditor of the Corporation has proposed that the system of pre-audit of all kinds of bills which has been obtaining in the Bangalore City area may be extended to the entire Corporation As regards the audit of Receipts, a system of concurrent audit is proposed to be introduced for the whole Corporation instead of the very limited audit obtaining at present in the City area I agree with the Auditor's views in regard to the desirability of introducing into the accounts of the Corporation the system of pre-audit of expenditure and concurrent audit of

receipts, and I request that Government may be pleased to sanction the proposal

3 As regards the staff required for the audit of both Receipts and Expenditure of the Corporation, the Auditor has dealt with the matter at some length in paras. 7 to 16 of his note After a detailed scrutiny of the proposals, I feel that the staff proposed is reasonable for the efficient discharge of the audit work of this premier Corporation The net extra cost involved by the proposition is Rs 29,872/- per annum The total cost inclusive of the additional staff now proposed will work out to about 28% of the total of the sanctioned Budget Estimates of Receipts and Expenditure of the two Muncipalities for the year 1949-50 which, in my opinion, is comparatively very little and also reasonable The Auditor's proposals include also the purchase of a policy size Typewriter at a cost of about Rs 1000/- which is necessary for the work I request that both of the above proposals may be sanctioned

4 The Auditor also proposes that the posts of two temporary clerks (one of First grade and one of Second grade) sanctioned up to the end of March 1950 in G O No L 5128-9/ M1 10-48-208 dated 23-11-49 for the clearance of arrears in the Bangalore City Municipality may be continued for a further period of atleast one year from 1-4-50 as the arrears are still very heavy As the early clearance of the arrears is very necessary, I recommend that the continuance till 31-3-1951, of th posts of the two clerks in question may be sanctioned In anticipation of sanction of Government to this proposal, this temporary staff will be continued

5 Lastly, the compilation of a Corporation Accounts Manual has to be taken up very early The staff required in this connection may consist of a Superintendent and a First grade Clerk at a total cost of Rs 2,915/- including a lumpsum remuneration of Rs 150 to the typists for a period of six months

in the first instance (vide para 18 of the Auditor's note) I request that orders of Government sanctioning the proposal may kindly be communicated to me early

6 A proposition statement in duplicate embodying the above proposals is enclosed

7 As the audit staff required for current work are to be posted by the latter part of the current month, in order that they may get themselves acquainted with the work which is of a technical nature and also open and keep ready the several Audit Registers for dealing with the pre-audit of Salary and Establishment Bills for March 1950 which come up for audit about the end of that month, I request that orders of Government according sanction to the proposals may kindly be communicated very early

8 A copy of this letter has been sent to the Commissioner of the Corporation for arranging to include the necessary provision in the Budget Estimates of the Corporation for the year 1949-50

Yours faithfully,

I forward herewith a representation received from Sri D Venkataramiah Chief Accounts Officer Electrical Department, Bangalore, through the Chief Electrical Engineer

Sri Venkataramiah ceased to discharge the duties of the Auditor as long back as 5-11-1950 It therefore does not appear necessary to postpone consideration of his individual case I recommend that he may be granted a Duty Allowance for the period he actually worked as Auditor Corporation of the City of Bangalore at such rate as they may consider proper

ACCOUNTANT GENERAL

To

THE ACCOUNTANT GENERAL,
MYSORE, BANGALORE

Sir,

Sub Duty Allowance to the Auditor, Corporation of the City of - Bangalore

With reference to your Memo No 194/E dated 9th April 1951, communicating the Orders of Government in letter No L 12800/C M 49-49-47 dated 17th March 1951, from the Secretary to Government, Local Self Government Department, that the Examiner for Local Fund Audit has been working out the details of the new Organisation for the audit of Local Fund Accounts and that the allowance recommended to the Auditor may await the result thereof, I wish to submit the following representation

2 In accordance with the Mysore Government Notification No L 5334-C M 49-49-10 dated 3-12-1949, I was appointed as the Auditor of the Corporation of the City of Bangalore and I worked in that capacity from 8-12-1949 to 5-11-1950 Prior to my transfer to the Corporation, I was working in the Food Supply Audit Office, where I was drawing a Duty Allowance of Rs 50/- p m Having regard to the arduous and responsible nature of the charge in the Corporation, the Comptroller (now Accountant-General) was kind enough to recommend, in his letter No 2218/E S dated 5-1-1950 addressed to the Financial Secretary to Government, the grant to me of a Deputation Duty Allowance of 20% of my

p t o

pay of Rs 425/- amounting to Rs 85/-, with effect from 8-12-1949, the date, on which I assumed charge as the Auditor of the Corporation The proposal to grant the Auditor a Duty Allowance was agreed to by the Corporation also though the amount was modified to a Consolidated Duty Allowance of Rs 75/- p m (vide letter No A 6 P R 17/50-51 dated 18th January 1951 of the Commissioner addressed to Government).

3 As brought out, in detail, by the Comptroller (now Accountant-General) in his letter dated 5-1-1950 addressed to Govt , cited above, I had to face the brunt of the work of placing the Accounting and Auditing procedure of the Corporation on a proper basis and take important decisions and also advise the Administrative and Departmental Officers of the Corporation in its Financial Administration Further, I had to prescribe new Budget and Account Heads and Forms to suit the needs of the Corporation which was formed by the amalgamation of the two premier institutions - the City Municipality and the Civil Station Municipal Commission - which had different systems of Accounts and Audit A brief summary of the special items of work done by me in the Corporation has been given in the annexture to this representation

4 I may, in this connection, bring to your kind notice that, had I continued in the Food Supply Department alone, I would

have, in the usual course, been placed, by mere virtue of seniority in charge of the duties of the Audit and Accounting Officer, Food Supply Department, which post became vacant subsequently, i e , on 1-4-50 and would have thereby drawn Rs 500/- (i e , my pay of Rs 425/- plus an in-charge allowance of Rs 75/-) The out-come of my selection as the Auditor of the Corporation has thus actually reduced my monthly emoluments by no less a sum than Rs 75/-

5 With regard to the observation of Govt , that the allowance recommended for the Auditor of the Corporation may wait till his position in the proposed new Organisation for the audit of Local Fund Accounts becomes clear, I ~~wish~~ may be permitted to state that the question of granting an allowance to the Auditor for the duties already performed by him under strenuous circumstances in the formative stage of the Corporation deserves to be considered quite independently of any decision to be arrived at, in due course, on the question of the new Organization referred to

6 In the circumstances submitted above, I request that you may be pleased to recommend to the Government of Mysore that I may be granted the Consolidated Duty Allowance of Rs 75/- p m recommended by the Corporation for the period of my work in the Corporation from 8-12-1949 to 5-11-1950 inclusive

7 I bespeak your kind support to me in the matter

Yours faithfully,
